OMB Control Number: 1845–NEW.

Type of Review: A new information collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 128.

Total Estimated Number of Annual Burden Hours: 2,048.

Abstract: The Department of Education (ED) is requesting approval of a new information collection for the FFEL Program SOFR Election form. On March 15, 2022, the President signed the Adjustable Interest Rate (LIBOR) Act into law. Among other things, the law amended section 438(b)(2)(I) of the Higher Education Act of 1965, as amended (HEA). This provision of the law requires FFEL Program lenders or an entity that holds a beneficial ownership interest in a FFEL Program loan (beneficial holder) to transition away from LIBOR based Special Allowance Payments (SAP) to a new formula set by the law based on Secured Overnight Financing Rate (SOFR). The transition may occur any time on or before June 30, 2023. However, a FFEL Program lender or beneficial holder must transition to the SOFR based SAP calculation by July 1, 2023, as a condition of continued participation in FFEL Program.

Dated: June 8, 2022.
